

## About Me

I am Stefanos Michael, a person really passionate with technology and science. I get involved into technology events and I've co-founded Brainstorm. I am a former Microsoft Student Partner and a student member to various tech-related organizations, such as IEEE and StudentGuru Patras. The last two years as a student, I've started to get interested in Robotics, Artificial Intelligence and the Internet of Things, so I started my thesis on "Collection of information & sensor control in a residential environment".

## Languages I speak

Greek - Native

English - IGCSE (Grade B)

## Work Experience

### Brainstorm July 2011 - present

#### Founder and Developer

Brainstorm is a company focused on making quality mobile apps and games. Currently publishing for the Windows and Windows Phone platform, Brainstorm has a variety of hit-apps like the puzzle game Illuminate and the minimalistic text editor Write.

### Microsoft Student Partner September 2012 - September 2015

#### Student Partner

The main responsibilities of being a Microsoft Student Partner are to organize events, seminars and trainings at the University, to promote the company's tools and technologies and to be the contact point between professors, students and the company.

### National Guard July 2008 - July 2010

#### Infantry Sergeant

I've served my country as an Infantry Sergeant with an Anti-Tank Specialty and I've also been an office assistant in "Military Education & Information Office".
